OFFICE OF THE SECRETARY, STORES PURCHASE COMMITTEE, "ASIATIC" BUILDINGS, KEMPE-GOWDA ROAD, BANGALORE-9.

Dated 17th October 1956.

To

All the Heads of Departments
and
All the Indenting Officers.

Sub. :—Empowering Heads of Departments and Indenting Officeys to purchase articles of Furniture after inviting quotations from local contractors.

Sir,

No. S.P.C. 47659-808. I am directed to state that Government have conveyed their approval to the resolution of the Stores Purchase Committee regarding the discontinuance of the system of letting out contracts by them for the supply of wooden furniture and permitting the Heads of Departments to sanction or authorise purchase of furniture articles from local contractors, who could assure supply consistent with quality and price and to request you to make or authorise purchase of furniture articles in future directly after observing the following rules of procedure :—

1. Sealed quotations may be called for in each case, prescribing a definite time limit;
2. Such quotation may be opened by a Gazetted Officer on a date and time specified in the enquiry or on the notice board of the office. After such opening, the quotations may be initialled by the Officer with the date and stamped with office seal, if any. Enclosures and additional pages in the quotations, if any, should be similarly dealt with, so as to avoid tampering with rates later;
3. After the enquiry is finalised by making a selection, reasons may be recorded on the file as to why cheaper offers, if any, were passed over;
4. A definite and reasonable time limit may be prescribed for supply, with suitable penalty for delays, and un-satisfactory supplies or default. It may also be specified that in case of default, and unsatisfactory supplies or delays, it will be open to the Indenting Officer to purchase his requirements from other sources, making the defaulter liable to make good the extra expenditure, if any, incurred, besides recovering penalty, if any, levied;
5. A reasonable amount, say, 5 per cent of the value of orders placed, may be prescribed as Security Deposit for proper and satisfactory execution of the indent or contract and also for enforcement of penal provisions.

The Head of the Department may fix the monetary limit up to which his subordinate officers, offices or institutions under his control could purchase furniture articles each time, taking into consideration their needs, such limits not exceeding those, if any prescribed for himself. The aggregate value of such purchases made during a year, should not, of course, exceed the allotment placed at their disposal for the purpose. If purchases to be made at any time should exceed the limit prescribed for any Officer or Institution, the permission of the Head of the Department should be obtained.

In this connection, Government are also pleased to observe that it would be desirable and advantageous, if indents for small quantities of furniture are placed with Government Industrial Institutions located in some of the districts. Such institutions are expected to supply quality furniture at reasonable rates, and placing of such orders will, besides affording them necessary encouragement, help them also to become self-supporting. This may also avoid undue profiteering by private suppliers.

The Heads of Departments are requested to issue immediate instructions to their subordinate officers and Heads of Institutions under their control, so that they may not send their indents in future to the Stores Purchase Committee.

Yours faithfully,

I. P. MALLAPPA,
7849 *Secretary, S.P.C.*
